- 12-factor Apps
- PostgreSQL
- MySQL
- Automated Testing
- Rspec
- Git
- Teamwork

Professional Employment History

The Royal, Murray UT, *Resident Audio Engineer*

2013 - Present

I work one or two nights a week as the bar's resident sound engineer. This keeps my skills sharp, provides networking opportunities with potential clients, and from time to time I get to work with awesome bands that I grew up listening to on the radio!

Rock Solid Studios, Salt Lake City UT, *Owner / Studio Engineer*

2005 - Present

My recording studio business started as a hobby and grew into a second job. In 2008 I began to produce music full time. In addition to operating the business and orchestrating recording sessions, I performed video editing, photography, graphic design, web development, and pro audio services for my clients. We are an end-to-end solution for aspiring musicians in need of music production. Marketing and live performances eventually led to the formation of Rock Solid Sound. I am an expert with Pro Tools HD, Sony Sound Forge, Audacity, Adobe After Effects, Premiere, Photoshop, Encore, and Audition.

Rock Solid Sound, Salt Lake City UT, ***Owner / Live Sound Engineer*** 2008 - Present

Rock Solid Sound evolved as an offshoot of my recording studio and audio engineering work. We have the equipment and the ability to entertain crowds in excess of 1500 people. Rock Solid Sound provided sound services for Salt Lake City's 2015 Urban Arts Festival and Element 11 festival. Our capabilities include cutting edge live sound technology such as horizontal subwoofer array beamforming, cardioid configurations, time-alignment and phase correction. I employ a team of 3 young engineers that assist with bigger events and run the system when I am not available.

Feature Films For Families, Murray UT, ***Software QA*** 2005 - 2008

Microsoft, West Valley UT, ***Tech Support*** 2003 - 2005

Education

Salt Lake Community College, West Valley UT, ***Information Systems*** 2001 - 2003

Honoka'a High School, Honoka'a HI, ***3.5 GPA, National Honor Society*** 1995 - 1999
